Dear Mr Borrelli

**Narrabri to North Star Stage 1 (SSI-7474)  
Transport Network Connectivity Analysis**

I refer to your submission of a Transport Network Connectivity Analysis (TCNA), required by Conditions E56 and E57 of SSI 7474. I also acknowledge your responses to the Department's request for additional information.

The Department has carefully reviewed the Transport Network Connectivity Analysis and considers that it meets the requirements of the conditions of approval except for Conditions E57 (e) and (g), E58 and the consultation requirements of E59 of SSI 7474. However, I note that on 24 August 2021 an extension to the timeframe for satisfying these conditions was granted until 13 March 2022.

Accordingly, as nominee of the Planning Secretary I conditionally approve the Transport Network Connectivity Analysis subject to you submitting to the Planning Secretary's satisfaction:

- the information required to satisfy Conditions E57 (e) and (g), E58 and E59 by 13 March 2022.

If you wish to discuss the matter further, please contact Matthew Todd-Jones on 8289 6673.

Yours sincerely

**Jake Shackleton**  
**Director – Infrastructure Management**

As nominee of the Planning Secretary
