Dear Ms Moss

**WestConnex M4-M5 Link - SSI 7485**

I refer to your letter of 14 August 2017 to the Office of Environment and Heritage (OEH) inviting comments on the above State Significant Infrastructure proposal.

OEH has reviewed the biodiversity, flooding and Aboriginal cultural heritage sections of the Environment Impact Statement (and the relevant technical reports) and have no comments to make.

I understand the Heritage Division of OEH as delegate of the Heritage Council of NSW, has already provided comments on the proposal.

If you have any further questions about this issue, please contact Richard Bonner on 9995 6917 or by email at [richard.bonner@environment.nsw.gov.au](mailto:richard.bonner@environment.nsw.gov.au).

Yours sincerely
