Dear Mr Chahal

Car Parking and Access Strategy**

I refer to the Car Parking and Access Strategy (Revision 11, dated 10 September 2020) which was submitted in accordance with Condition E54 of the approval for the M4-M5 Link (SSI 7485).

The Department has carefully reviewed the document and notes that:

- Transport for NSW has reviewed the document and found no issues; and
- the document addresses the additional information required in my conditional approval letter dated 13 August 2020.

Accordingly, as nominee of the Planning Secretary I approve the Car Parking and Access Strategy (Revision 11, dated 10 September 2020). Please ensure that the approved plan is placed on the project website at your earliest convenience.
