Dear Mr Chahal,

**WestConnex M4-M5 Link Rozelle Interchange (SSI-7485)
Construction Parking and Access Strategy – Condition E54**

I refer to the Department's letter dated 25 February 2021 approving the Construction Parking and Access Strategy (CPAS), Revision 13, dated 16 February 2021 under Condition E54 of SSI 7485. I note the approval letter included a requirement to extend the monitoring timeframes within the CPAS until 31 December 2021.

I note that the CPAS was resubmitted on 10 March 2021 and has been revised to include the commitment to monitor up until 31 December 2021.

Accordingly, I am satisfied that the requirement from the approval letter has now been met.

Finally, if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval will prevail.

If you wish to discuss the matter further, please contact Carl Dumpleton on 02 9274 6283/ at carl.dumpleton@planning.nsw.gov.au

Yours sincerely,
