Dear Mr. Chahal,

**WestConnex 3B Rozelle Interchange (SSI 7485)**  
**Timeframe extension for the submission of the Urban Design Landscape Plan and Solar Access and**  
**Overshadowing Report (Condition A8)**

I refer to my previous letter, dated 30 November 2020, which granted you an extension to the submission of the Urban Design and Landscape Plan (UDLP) as required under condition of approval E135, until the 31 March 2021. I understand from your correspondence dated 26 March 2021 that you are seeking a further time extension for the resubmission and approval of the UDLP and the Solar Access and Overshadowing Report (SAOR).

I note since the last extension was granted, the Department's review of the UDLP has substantially progressed and that you are currently finalising your response to our requests for information. Your response is due on 21 April 2021.

The Department's review identified that the Solar Access and Overshadowing Report (SAOR) has yet to be submitted and is required to close out the review of the UDLP. I note that you will consult with affected residents and obtain and respond to the Design Review Panel recommendations prior to the submission of the SAOR.

Accordingly, as nominee of the Planning Secretary, I grant you an extension of time until 31 May 2021 for the submission and approval of the Urban Design and Landscape Plan, and the submission of the Solar Access and Overshadowing Report.

Please note that the works that you have detailed in Attachment 1 of your correspondence, dated 26 March 2021, are subject to the approval of the UDLP and relevant recommendations from the SOAR.

If you wish to discuss the matter further, please contact Carl Dumbleton on 02 9274 6283.

Yours sincerely

**Jake Shackleton**  
A/Director - Infrastructure Management

As nominee of the Planning Secretary
