Hi Niall,

I work for the John Holland CPB Contractors Joint Venture that is currently constructing the WestConnex M4-M5 Link (Rozelle Interchange) project. I have a batch of archival recordings associated with our construction works that we would like to provide to one of your local libraries to be archived for the public viewing.

Would you be able to provide me with the best date/time and preferred location where I could deliver the hard copies records?

Hi Roger,

I generally work from our office at Town Hall House on Tuesdays, Wednesdays and Thursdays, however, you are welcome to drop off the recordings at any time at the reception of Town Hall House at 456 Kent Street. Please mention my name and Level 13 where I am located and the recording will be brought up to my desk. I can review the recordings and pass them on to our Archives.

Hope that works for you.
