Dear Mr. Cooper,

**WestConnex M4-M5 Link Rozelle Interchange (SSI-7485)  
Heritage Archival Recording and Salvage Report (Condition E163)**

I refer to the Heritage Archival Recording and Salvage Reports which were submitted to the Planning Secretary for information in accordance with Condition E163 of SSI-7485.

I note that the Heritage Archival Recording and Salvage Reports:

- were undertaken by a suitably qualified heritage specialist;
- prepared in accordance with NSW Heritage Office's *How to Prepare Archival Records of Heritage Items* (1998) and *Photographic Recording of Heritage Items Using Film or Digital Capture* (2006);
- have been reviewed by Transport for NSW and no issues were raised; and
- were prepared to address the relevant conditions of approval.

Accordingly, I acknowledge receipt of the Heritage Archival Recording and Salvage Reports for information and have no further comments.

I remind you that the Heritage Archival Recording and Salvage Reports must be submitted to relevant council(s), relevant local libraries and local historical societies in the respective local government area(s).

I further note that if there is any inconsistency between the Heritage Archival Recording and Salvage Reports and the conditions of approval, then the requirements of the conditions of approval will prevail.

If you wish to discuss the matter further, please contact Scott Cooper at [scott.cooper@planning.nsw.gov.au](mailto:scott.cooper@planning.nsw.gov.au).

Yours sincerely,
