Dear Mr Chahal

**WestConnex M4-M5 Link – 3B Rozelle Interchange (SSI-7485)
Groundwater Modelling Report**

I refer to the M4-M5 Link - 3B Rozelle Interchange Groundwater Modelling Report (GMR) Revision 00, dated 5 January 2021 submitted to the Department for information as required under condition of approval E193 of SSI 7485.

I note that the GMR:

- was finalised in accordance with the Australian Groundwater Modelling Guidelines (National Water Commission, 2012); and
- has been reviewed by Transport for NSW and no concerns were raised.

I understand that the updated GMR, in accordance with Condition E194, is currently being prepared and will be submitted to the Department in April 2022.

I would like to remind you of your commitments to include in the updated GMR recommendations:

- from DPIE Water dated 16 April 2021; and
- detailed in the document attached to this letter.

If you wish to discuss the matter further, please contact Sarah Kamarudin at sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
Director – Infrastructure Management

As nominee of the Planning Secretary
