Dear Mr Cooper

**WestConnex M4-M5 Link Stage 3A – Mainline Tunnels (SSI 7485)
Construction Parking and Access Strategy (Revision 22)**

I refer to the revised Construction Parking and Access Strategy (CPAS) Revision 22, dated 15 March 2022, submitted to the Department as required under condition E54 of SSI 7485. I also acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note that the CPAS Revision 22:

- includes additional workforce on-site parking spaces at Campbell Road and Burrows Road, St Peters;
- removes references to Canal Road & Hawthorne Parade as the project has completed works at this site and on-street parking has been reinstated; and
- has been reviewed by Transport for NSW and no issues were raised.

Accordingly, as nominee of the Planning Secretary I approve the Construction Parking and Access Strategy Revision 22, dated 15 March 2022. Please ensure that the approved plan is placed on the project website at the earliest convenience in accordance with condition B17.

I remind you of your commitment to continue to consult with the affected local community and that any unforeseen parking impacts are managed in accordance with the mitigation measures outlined in the CPAS.

If you have any questions, please contact Sarah Kamarudin at sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely

Shelley Reed
