Dear Mr Cooper,

**WestConnex M4-M5 Link – Mainline Tunnels 3A (SSI-7485)  
CPAS Quarterly Reports, Condition E54(i)**

I refer to the Construction Parking and Access Strategy (CPAS) Quarterly Report October 2021-December 2021, revision 02 dated 01/08/2022 and January 2022-March 2022, revision 02 dated 01/08/2022 submitted to the Department under condition E54(i) of SSI-7485. I also acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note that the CPAS quarterly reports:

- were provided to the City of Sydney and Inner West Councils; and
- have been reviewed by Transport for NSW and no issues were raised.

You are reminded that if there is any inconsistency between the monitoring reports and the conditions of approval, then the requirements of the conditions of approval prevail.

If you wish to discuss the matter further, please contact Sidonie Crepeau at [sidonie.crepeau@planning.nsw.gov.au](mailto:sidonie.crepeau@planning.nsw.gov.au).

Yours sincerely

Shelley Reed
