Subject: WestConnex M4-M5 Link Stage 3A – Mainline Tunnels (SSI 7485): Construction Parking and Access Strategy (Revision 24)

Dear Mr Cooper

I refer to the revised Construction Parking and Access Strategy (CPAS) Revision 24, dated 16 September 2022 which was submitted to the department for approval as required under condition E54 of SSI 7485.

I note the CPAS Revision 24:

- includes updated indicative Project workforce numbers and available on-site parking spaces;
- removes references to the use of the Royal Prince Alfred Hospital (RPA) private parking station as this site is no longer required; and
- has been reviewed by Transport for NSW and no issues were raised.

As nominee of the Planning Secretary, I approve the Construction Parking and Access Strategy (CPAS) Revision 24, dated 16 September 2022 under condition E54 of SSI 7485. Please ensure that the approved plan is placed on the project website at the earliest convenience as per condition B17.

I remind you of your commitments to continue to consult with the affected local community, and that you manage any unforeseen parking impacts in accordance with the mitigation measures outlined in the CPAS.

If you wish to discuss the matter further, please contact Sarah Kamarudin sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely
