Air Quality QA/QC Independent Expert Nomination (Condition E41)

Dear Mr Chahal

I refer to your submission dated 2 November 2023 requesting the Secretary's approval for an independent expert to approve Quality Assurance and Quality Control (QA/QC) measures for air quality and ventilation outlet emission monitoring data under condition E41 of SSI-7485.

I note your nomination of Dr Iain Cowan of Zephyr Environmental as the independent expert and that you have provided evidence to demonstrate that he:

- is suitably qualified and experienced;
- is independent from the design and construction of the project; and
- meets the requirements of *Seeking approval from the Department for the appointment of independent experts* (DPIE, 2020).

As nominee of the Planning Secretary, I approve the appointment of Dr Iain Cowan of Zephyr Environmental as independent expert in accordance with condition E41 of SSI 7485.

Please ensure that Dr Cowan is made aware of his obligations and functions under the approval, and that you provide him with the information required to undertake the role in a timely and complete manner.

If you wish to discuss the matter further, please contact Sarah Kamarudin at sarah.kamarudin@dpie.nsw.gov.au

Yours sincerely

Dominic Crinnion
Director
