Dear Mr. Wilson,

West Connex Mainline Tunnels Stage 3A (SSI 7485)
Air Quality Community Consultative Committee Members Requirement (Condition E2(a)(iii))

I refer to your letter dated, 1 March 2020, regarding the Air Quality Community Consultative Committee (AQCCC) as per condition E2(a)(iii) of the West Connex Mainline Tunnels Stage 3A (SSI 7485).

I note that:

- the AQCCC currently has five active members and requires an additional member from the St Peters area as per condition E2(a)(iii);
- appropriate efforts have been made to seek a sixth AQCCC member and will continue to be made; and
- the project has started the AQCCC meetings on 2 March 2021.

Please ensure you continue to seek the 6th member through all appropriate avenues and continue to keep the Department informed of your progress.

If you wish to discuss the matter further, please contact Mike Pereira on (02) 99956038 or at mike.pereira@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
