

5 November 2020

Mr Jake Shackleton
Acting Director- Infrastructure Management
Department of Planning Industry and Environment
4 Parramatta Square, 12 Darcy Street
PARRAMATTA NSW 2150

SSI:7666 Coffs Harbour Bypass: MCoA A21 Environmental Representative

Dear Mr Shackleton,

In accordance with the Minister's Condition of Approval (MCoA) of Project Application No: SSI-7666, a suitably qualified person must be nominated for the role of Environmental Representative for the Pacific Highway Coffs Harbour Bypass.

Further to this MCoA A23 and A21 requires that the ER is to be an independent of project and that this person must be approved by the Secretary of the Department of Planning Industry and Environment (DPIE).

Transport for NSW (TfNSW) are progressing with early works for the project which are planned to commence in late 2020. To enable these early works to proceed in a timely manner we have identified a candidate who would be a suitable Environmental Representative while procurement processes are undertaken for a longer term ER contract. Accordingly, we nominate Mr Murray Curtis of Environmental Resources Management Australia Pty Ltd (ERM) to fulfill the role of Environmental Representative (ER) for the Pacific Highway Coffs Harbour Bypass.

TfNSW considers Mr Murray Curtis as a strong candidate for the ER role and has the relevant demonstrated experience suitable for fulling the ER role, particularly for large linear infrastructure projects.

Please find attached for your information a curriculum vitae detailing Mr Curtis's experience and qualifications as well as Mr Curtis's declaration confirming his independence in that he has not had any direct or indirect role in the preparation of the EIS/Amendment Report, Submissions Report and the construction design and delivery of the project.

In the coming months TfNSW will be undertaking an open-tender process to secure a longer-term contract ER role for the Coffs Harbour Bypass.

Should you have further questions regarding this matter, please contact Scott Lawrence on 02 6640 1375.

Yours sincerely

Tony Gant
A/Director Coffs Harbour Bypass
