Dear Mr Lawrence

**Coffs Harbour Bypass (SSI 7666)
Appointment of interim Environmental Representative**

I refer to your submission dated 10 November 2020 requesting the Planning Secretary's approval to appoint Mr Murray Curtis as the interim Environmental Representative (ER) under condition A22 of SSI 7666. I acknowledge your response to the Department's review comments and request for additional information.

I note that:

- the curriculum vitae provided in support of nominating Mr Curtis as the interim ER demonstrates that he has the skills, qualifications and experience to undertake the role; and
- Mr Curtis was not involved in the writing of the Environmental Impact Statement or Response to Submissions and is independent of the design and construction personnel and those involved in the delivery of the Coffs Harbour Bypass SSI 7666.

As nominee of the Planning Secretary, I approve Mr Murray Curtis as the interim Environmental Representative for a maximum period of six (6) months from the date of this approval in accordance with condition A22 of SSI 7666.

Further, if you are seeking to extend Mr Curtis's engagement period or seek an alternate project ER following the expiration of the interim engagement period, you must seek the Planning Secretary's approval no later than one month prior to the expiration of Mr Curtis's interim engagement period.

Please ensure you provide Mr Curtis with all the relevant information required to undertake the role, and that you respond to Mr Curtis's requests for information in a timely and complete manner.

I remind you, and Mr Curtis, that the Environmental Representative Monthly Report required under condition A25(j) must be submitted via the Major Projects portal within seven days following the end of each month for the duration of the interim ER's engagement.

Yours sincerely
