Subject: Appointment of Alternate Environmental Representative

Dear Mr Lawrence

I refer to your submission dated 4 July 2024 requesting the Planning Secretary's approval to appoint Mr Christopher Jones as the alternate Environmental Representative (ER) under condition A22 of SSI 7666.

I note that:

- The current alternate ER is resigning on 31 August 2024 and Mr Jones has been proposed as the replacement
- The curriculum vitae provided in support of nominating Mr Jones demonstrates that he has the skills, qualifications and experience to undertake the role
- Mr Jones has signed a declaration stating that he was not involved in the preparation of the Environmental Impact Statement or Response to Submissions report
- Mr Jones has also confirmed that he is independent of the design and construction personnel and those in the delivery of the Coffs Harbour Bypass project.

As nominee of the Planning Secretary, I approve Mr Christopher Jones as the alternate Environmental Representative for the Coffs Harbour Bypass project SSI 7666.

Please ensure you provide Mr Jones with all the relevant information required to undertake the role and that you respond to Mr Jones' requests for information in a timely and complete manner.
