Dear Mr Cerone

**Sydney Metro: Sydenham to Bankstown (SSI 8256)
Construction Traffic Management Plans**

I refer to your recent submission to the Department of the Construction Traffic Management Plans for the Surry Hills to Central Station Bulk Power Supply Early Investigation Works (rev 0, dated 23 September 2019) and the Canterbury to Campsie Bulk Power Supply Investigations (rev 0, dated 4 July 2019), submitted for information pursuant to Condition 47 of SSI 8256.

The Department acknowledges receipt of the two Construction Traffic Management Plans.

If you have any questions, please contact Amy Porter at amy.porter@planning.nsw.gov.au.

Yours sincerely
