Subject: Tree Impact Assessment Report – Southwest Metro Corridor for Sydney Metro City and South West (Condition E5 of SSI-8256)

Dear Mr Cerone

I refer to your submission of the Tree Impact Assessment Report – Southwest Metro Corridor, Bankstown and Additional Corridor Works (Rev 15, 21/07/22).

I note the Tree Impact Assessment Report:

- Has been prepared by an independent, experienced and suitably qualified arborist;
- Has been reviewed by Sydney Metro and no issues have been raised with the Department;
- Contains the information required by the conditions of approval.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this letter publicly available on the project website.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au

Yours sincerely
