Dear Mr Cerone,

**Sydney Metro – Sydenham to Bankstown Project (SSI-8256)  
Marrickville, Canterbury, Lakemba Station Upgrades – Station Design Precinct Plans**

I refer to the Marrickville, Canterbury and Lakemba Station Design Precinct Plans which were submitted to the Planning Secretary for information in accordance with Condition E56 and Revised Environmental Mitigation Measure (REMM) LV3 of SSI-8256.

I note that the Station Design Precinct Plans:

- give effect to the commitments made in the documents listed in Conditions A1 and A2;
- have been prepared in consultation with the relevant stakeholders; and
- contain the information required by the conditions of approval.

You are reminded that if there is any inconsistency between the Marrickville, Canterbury and Lakemba Station Design Precinct Plans and the conditions of approval, then the conditions of approval will prevail.

If you wish to discuss the matter further, please contact Brittany Golding on 02 9995 5742.

Yours sincerely
