Subject: Package 2 Construction Environmental Management Plan and Sub-Plans update for Parramatta Light Rail (C8 of SSI-8285)

Dear Ms Easton

I refer to your submission dated 3 June 2022 regarding the update to the previously approved Construction Environmental Management Plan (CEMP) and Sub Plans for Package 2.

I note the CEMP and Sub Plans:

- Have been updated to include the proposed scope of works at The Children's Hospital at Westmead;
- Consist of only minor amendments to include the additional scope;
- Have been reviewed by TfNSW and no issues have been raised with the Department; and
- Have been endorsed by the Environmental Representative and the Acoustics Advisor as minor amendments for submission to the Secretary for information.

You are reminded that if there is any inconsistency between the CEMP and Sub Plans and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the documents publicly available on the project website.

If you wish to discuss the matter further, please contact Grant Brown at grant.brown@dpie.nsw.gov.au.

Yours sincerely
