Dear Justin

**Parramatta Light Rail (CSSI 8285)
Community Communication Strategy**

I refer to the revised Community Communication Strategy (CCS) which was submitted in accordance with Condition B5 of Schedule 2 of the approval for the Parramatta Light Rail (CSSI 8285). I also acknowledge your response to the Department's review comments and request for additional information.

I note that the CCS:

- has been reviewed by TfNSW and no issues have been raised
- has been endorsed by the Environmental Representative
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Community Communication Strategy (Revision 4b, dated April 2020).

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval will prevail.

Please ensure that you make the Community Communication Strategy (CCS) publicly available on the project website.

If you wish to discuss the matter further, please contact Rebecca Eddington, who can be contacted on 8289 6702 or at rebecca.eddington@planning.nsw.gov.au.

Yours sincerely
