

Poppy Coleman
Associate Director Safety, Sustainability, Environment and Assurance
Transport for NSW
Locked Bag 5085
PARRAMATTA NSW 2124

20/10/2020

Dear Ms Coleman

**Parramatta Light Rail (CSSI 8285)
Infrastructure Works (Package 4) Heritage Management sub-plan and associated
documents**

I refer to your submission dated 30 September 2020 requesting approval of the Infrastructure Works (Package 4) Heritage Management sub-plan (Rev 10) (the Plan) in accordance with condition C8 of SSI 8285.

I note that the Plan was previously submitted to the Department on 15 July 2020 for information following inclusion of minor amendments. These minor amendments included the incorporation of the Movable Heritage Item Strategy to within the project's Heritage Archival Recording and Salvage Report, rather than the Heritage Interpretation Strategy, as is required by REMMM HE-13. The Department wrote to Transport for NSW on 27 July 2020 seeking clarification of these minor amendments and confirmation that they were consistent with the requirements of the planning approval.

On 28 August 2020, Transport for NSW responded to the matters raised in the above-mentioned letter and I note that a revised Plan has now been submitted for the Department's approval. Other minor changes have also since been made to the Plan as a result of the annual review of the Infrastructure Works (Package 4) Construction Environmental Management Plan.

I acknowledge your response to the Department's request for additional information. I note that the revised Plan:

- has been reviewed by Transport for NSW and no issues have been raised
- has been endorsed by the Environmental Representative, and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Infrastructure Works (Package 4) Heritage Management sub-plan (Rev 10) September 2020, pursuant to condition C8.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval will prevail.

Please ensure that you make the Infrastructure Works (Package 4) Heritage Management sub-plan (version 10) publicly available on the project website.

If you wish to discuss the matter further, please contact Rebecca Eddington on (02) 8289 6702.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Jake Shackleton', with a stylized, cursive script.

Jake Shackleton
A/Director
Infrastructure Management

As nominee of the Planning Secretary
