Dear Ms Sheekey

**Powering Sydney's Future (SSI – 8583)
Response to Submissions Report**

The exhibition of the Environmental Impact Statement (EIS) for the Powering Sydney's Future underground transmission cable circuit project ended on Friday 22 November 2019.

The submissions can be viewed on the Department's website
<https://www.planningportal.nsw.gov.au/major-projects/project/9956>

The Department requests that you prepare and submit a report detailing your responses to the full range of matters and recommendations raised in submissions. Please note that Strathfield Council is finalising its submission which is expected next week.

Please provide your responses to the Department by **Friday 10 January 2020**. Following your consideration of the submissions, please contact the Department if you consider that this timeframe is not achievable.

If you wish to discuss this matter, please contact May Patterson on the above contact details.

Yours sincerely,
