Dear Ms Bennett

**Powering Sydney's Future (SSI 8583)
Construction Soil and Water Management Plan**

I refer to the Construction Soil and Water Management Plan (CSWMP) which was submitted in accordance with condition C3 and E20 of Schedule 2 of the Infrastructure Approval for the Powering Sydney's Future Project (SSI 8583).

The Department has carefully reviewed the document and is satisfied that it has been prepared in accordance with the requirements of the condition.

Accordingly, the Planning Secretary has approved the Construction Soil and Water Management Plan (Revision 3, dated 3 August 2020). Please ensure that the approved plan is placed on the project website at the earliest convenience.

The Department notes that construction works permitted by the approval cannot commence until the Construction Environmental Management Plan and its sub-plans are approved by the Planning Secretary.

If you wish to discuss the matter further, please contact May Patterson on 02 8275 1190 or May.Patterson@planning.nsw.gov.au.

Yours sincerely
