Subject: Powering Sydney's Future - Request for use of Environmental Management System
Request for use of Environmental Management System

Dear Mr Owens

I refer to the request for use of Environmental Management System which was submitted in accordance with Condition D2 of Schedule 2 of the approval for Powering Sydney's Future (SSI-8583).

The Department has carefully reviewed the document and is satisfied that:

- the performance outcomes, commitments and mitigation measures, made and identified in the EIS, and specified relevant terms of this approval can be achieved;
- issues identified through ongoing risk analysis can be managed; and
- procedures are in place for rectifying any non-compliance with this approval identified during compliance auditing, incident management or any other time during operation.

Accordingly, the Secretary has approved the request for use of Environmental Management System.

If you wish to discuss the matter further, please contact Nestor Tsambos on 9274 6348 or at nestor.tsambos@dpie.nsw.gov.au.

Yours sincerely
