Attn: Nathan Heath

9 December 2022

Dear Mr. Heath,

Upper South Creek Advanced Water Recycling Centre (CSSI 8609189): Provision of unexpected finds procedure for contamination in accordance with condition E88

I refer to the Upper South Creek Advanced Water Recycling Centre project approved on the 28 November 2022.

In accordance with condition E88 of the Conditions of Approval, Sydney Water are to submit an unexpected finds procedure for contamination for approval at least one month prior to the commencement of work, along with evidence that it has been reviewed and considered appropriate by the EPA accredited site auditor engaged on the Project.

Please find attached the unexpected finds procedure for contamination to be implemented on the Project, along with a copy of the Interim Audit Advice prepared by the auditor.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Cahill".

Cheryl Cahill
