Subject: Approval of the Traffic and Transport CEMP Sub-Plan, Local Roads Approval, and Construction Parking and Access Strategy

Dear Ms Cahill,

I refer to the Traffic and Transport CEMP Sub-Plan (TTCSP) (revision B, dated 22 November 2023) submitted in accordance with Condition C4(f) of the Upper South Creek Advanced Water Recycling Centre project (SSI-8609189). I also acknowledge lodgement of the Local Roads Approval (LRA) (revision H, dated 16 November 2023) and Construction Parking and Access Strategy (CPAS) (revision H, dated 17 November 2023) submitted as part of the revised TTCSP in accordance with conditions E95 and E102 of SSI-8609189.

The Department has carefully reviewed the TTCSP, LRA and CPAS and is satisfied that they meet the requirements of the relevant conditions of approval.

You are reminded that if there are any inconsistencies between the TTCSP, LRA, CPAS and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Natalie Froud on 02 8275 1684.

Yours sincerely

Lloyd Eley-Smith
A/ Director
Transport and Water Assessments
As nominee of the Planning Secretary
