

Mr Tony Sheppard  
Project Delivery Director - Warringah Freeway Upgrade  
Transport for NSW  
20-44 Ennis Road  
Milsons Point NSW 2061

21 December 2022

---

**Western Harbour Tunnel and Warringah Freeway Upgrade (SSI 8863)  
Stage 2 - Construction Parking and Access Strategy (Condition E140)  
Addendum to Approval Letter dated 16 December 2022**

Dear Mr Sheppard

I refer to the Stage 2 Construction Parking and Access Strategy (CPAS), Revision J dated 15 December 2022 approved by the Department on 16 December 2022 and also my earlier letter of 28 July 2022 approving the CPAS Revision F, under condition E140 of SSI 8863.

Supplementary to these letters I also approve the removal of ten (10) on-street parking spaces at Ernest Street, three (3) on-street parking spaces at Rosalind Street and nine (9) on-street parking spaces at Ridge Street until 28 February 2023 in the locations shown in the CPAS Revision J.

If you seek any further extension of time for this parking removal the Department requests this be incorporated into a future CPAS submission that includes a consolidated, cumulative overview of all approved and proposed parking changes. You will also need to clearly articulate the outcomes of community consultation on any such extension. The Department would appreciate the opportunity to discuss with Transport for NSW how this overview can be presented in a way that is comprehensive and easy to understand, prior to any future submissions.

If you wish to discuss the matter further, please contact Sarah Kamarudin at [sarah.kamarudin@dpie.nsw.gov.au](mailto:sarah.kamarudin@dpie.nsw.gov.au).

Yours sincerely

A handwritten signature in black ink, appearing to read "D Crinnion".

Dominic Crinnion  
Acting Director  
Infrastructure Management  
As nominee of the Planning Secretary
