Western Harbour Tunnel and Warringah Freeway Upgrade (SSI-8863) Stage 2 Local Roads Plan -
Falcon St Active Transport Bridge (Condition E132)

Dear Mr Sheppard,

I refer to the Local Roads Plan – Falcon St Active Transport Link (ATL) Bridge Revision E, dated 2 December 2025, submitted to the Planning Secretary for approval in accordance with condition E132 for Stage 2 of SSI-8863.

I note that the Local Roads Plan – Falcon St Active Transport Bridge Revision E:

- includes proposed heavy vehicle use of:
 - Moodie St, between Ernest St and Falcon St;
 - Moodie Ln, between Moodie St and the cul-de-sac; and
 - Merlin St (between Military Rd and Ernest St);
- describes how traffic impacts will be managed during the Project's Falcon St ATL Bridge construction works;
- was endorsed by a suitably qualified traffic engineer Mr Denis Fung from CPBDowner; and
- has been reviewed by Transport for NSW and no issues were raised.

Accordingly, as nominee of the Planning Secretary, I approve the use of local roads as set out in the Local Roads Plan – Falcon St Active Transport Bridge Revision E, dated 2 December 2025.

Please ensure that the approved plan is placed on the project website in accordance with condition B15.

These local roads are approved for use until 30 June 2026. Further extensions to the use of these roads will require the Department's review and approval.

If you wish to discuss the matter further, please contact Sam Heaton at Samuel.Heaton@dpie.nsw.gov.au.

Yours sincerely

Sarah Kamarudin
Acting Team Leader
Infrastructure Management

As nominee of the Planning Secretary
