Subject: Western Harbour Tunnel and Warringah Freeway Upgrade (SSI-8863) - Local Roads Plan, Clark Road and McDougall Street (condition E132)

Dear Mr Sheppard,

I refer to the Local Roads Plan – Clark Road and McDougall Street, Revision H, dated 15 December 2025, submitted to the Planning Secretary for approval in accordance with condition E132 of SSI-8863.

I note the Local Roads Plan – McDougall St, Revision H:

- includes proposed heavy vehicle use of Clark Road and McDougall Street, North Sydney;
- describes how traffic impacts will be managed during the upgrade of the High Street on-ramp noise wall;
- was endorsed by a suitably qualified traffic engineer Mr Denis Fung from CPB Downer; and
- has been reviewed by Transport for NSW and no issues were raised.

Accordingly, as nominee of the Planning Secretary, I approve the use of local roads as set out in Table 3 and Table 4 of the Local Roads Plan – Clark Road and McDougall Street, Revision H, dated 15 December 2025 until 31 January 2026.

Please ensure that the approved plan is placed on the project website in accordance with condition B15.

Yours sincerely
