Subject: Western Harbour Tunnel and Warringah Freeway Upgrade (SSI-8863) – Western Harbour Tunnel (WHT) Construction Parking and Access Strategy North Revision 10.3 (Condition E140)

Dear Mr Cooper

I refer to WHT Construction Parking and Access Strategy North (CPAS), Revision 10.3 dated 12 March 2026, submitted to the Planning Secretary for approval under condition E140 of SSI-8863.

I note the CPAS Revision 10.3:

- has been updated to include the temporary removal of four parking spaces on Bellevue Street, Cammeray due to construction works of an air quality monitoring station (Site O); and
- has been reviewed by Transport for NSW and no issues were raised.

As nominee of the Planning Secretary, I approve Western Harbour Tunnel Construction Parking and Access Strategy North, Revision 10.3 dated 12 March 2026, under condition E140 of SSI-8863.

Please ensure that the approved plan is placed on the project website at the earliest convenience as per condition B15.

I remind you of your commitments to continue to consult with North Sydney Council and the affected local community, and that you manage any unforeseen parking impacts in accordance with the mitigation measures outlined in the CPAS.

Please note if there are any inconsistencies between the approved CPAS and the conditions of approval, then the requirements of the conditions of approval prevail.

If you wish to discuss the matter further, please contact Sarah Kamarudin at sarah.kamarudin@dpie.nsw.gov.

Yours sincerely

Grant Brown
Team Leader
Infrastructure Management

As nominee of the Planning Secretary
