Dear Mr Sheppard

**Western Harbour Tunnel and Warringah Freeway Upgrade (SSI 8863)
Stage 1C - Construction Parking and Access Strategy (Revision 4)**

I refer to the Stage 1C - Construction Parking and Access Strategy (CPAS) Revision 4, dated 08 March 2022 which was submitted to the Department for approval as required under condition E140 of SSI 8863. I also acknowledge and thank you for your response to the Department's review comments and requests for additional information.

I note that the CPAS Revision 4:

- includes the intermittent removal of 11 parking spaces on Jenkins St/Armstrong St and Massey Street for a total of six weeks between March 2022 and October 2022;
- has been prepared in consultation with North Sydney Council and affected stakeholders;
- has been reviewed by Transport for NSW and no issues were raised; and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Stage 1C – Construction Parking and Access Strategy Revision 4 dated 08 March 2022 under condition E140 of SSI 8863.

You are reminded that the approved Construction Parking and Access Strategy must be implemented before impacting on on-street parking and incorporated into the Construction Traffic, Transport and Access Management CEMP Sub-plan.

Further, I remind you of your commitments to continue to consult with the affected local community, and that you manage any impacts as a result of the removal of on-street parking in accordance with the mitigation measures outlined in the CPAS.

If there are any inconsistencies between the approved CPAS and the conditions of approval then the requirements of the conditions of approval will prevail. Please ensure that the approved plan is placed on the project website at the earliest convenience as per condition B15.

If you wish to discuss the matter further, please contact Sarah Kamarudin at sarah.kamarudin@dpie.nsw.gov.au

Yours sincerely
