I refer to the Warringah Freeway Upgrade, Design Review Panel Terms of Reference submitted to the Planning Secretary for information in accordance with Condition E174 of SSI-8863. I acknowledge and thank you for your response to the Department's request for additional information.

I note that the Design Review Panel Terms of Reference:

- have been endorsed by all panel members;
- relate only to Stage 2 of the Warringah Freeway Upgrade; and
- have been reviewed by TfNSW and no issues were raised.

You are reminded that if there is any inconsistency between the Terms of Reference and the conditions of approval, then the requirements of the conditions of approval prevail.

Yours sincerely
