Dear Mr Sheppard,

**Western Harbour Tunnel and Warringah Freeway Upgrade (SSI-8863)
Stage 2 - Warringah Freeway Main Works
Project Identification on Heavy Vehicles, Condition A47**

I refer to your submission dated 21 June 2022, requesting approval of the signage to identify heavy vehicles used for spoil haulage, as required under condition A47 of SSI-8863.

I note that the proposed signage:

- will enable the immediate identification of the Project by a person viewing the heavy vehicle;
- contains the information required by the conditions of approval; and
- has been reviewed by Transport for New South Wales, and no issues have been raised.

As nominee of the Planning Secretary, I approve the identification signage under condition A41 of SSI-8863.

You are reminded that if there is any inconsistency between the approved signage and the conditions of approval, then the requirements of the condition of approval will prevail.

If you wish to discuss the matter further, please contact Sidonie Crepeau at sidonie.crepeau@planning.nsw.gov.au.

Yours sincerely,

Shelley Reed
