Subject: Western Harbour Tunnel and Warringah Freeway Upgrade (SSI 8863): Stage 1A - Construction Parking and Access Strategy Revision 9 (Condition E140)

Dear Mr Sheppard

I refer to the revised Stage 1A - Construction Parking and Access Strategy (CPAS) Revision 9, dated 14 September 2022 submitted to the Department for approval as required under condition E140 of SSI 8863. I acknowledge and thank you for your response to the Department's review comments and requests for additional information.

I note that the Stage 1A CPAS Revision 9:

- includes an extension of parking removal on Cammeray Avenue and the reinstatement of on-street parking on Alfred Street North;
- has been prepared in consultation with affected stakeholders; and
- has been reviewed by Transport for NSW and no issues were raised.

As nominee of the Planning Secretary, I approve the Stage 1A Construction Parking and Access Strategy Revision 9 dated 14 September 2022 under condition E140 of SSI 8863. Please ensure that the approved plan is placed on the project website at the earliest convenience as per condition B15.

I remind you of your commitments to continue to consult with North Sydney Council and the affected local community, and that you manage any unforeseen parking impacts in accordance with the mitigation measures outlined in the CPAS.

Please note that if there are any inconsistencies between the approved CPAS and the conditions of approval then the requirements of the conditions of approval will prevail.

If you wish to discuss the matter further, please contact Sarah Kamarudin at sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely

Shelley Reed
Acting Director
Infrastructure Management

As nominee of the Planning Secretary
