Western Harbour Tunnel and Warringah Freeway Upgrade (SSI 8863)
Stage 1B - Construction Parking and Access Strategy (Condition E140)

Dear Mr Sheppard

I refer to the Stage 1B Construction Parking and Access Strategy (CPAS), Revision 7 dated 14 December 2022 submitted for approval as required under condition E140 of SSI 8863. I acknowledge your responses to the Department's review comments and requests for additional information.

I note the Stage 1B CPAS Revision 7:

- allows for the extension of the removal of two (2) on-street parking spaces at Park Avenue from December 2022 to June 2023;
- was prepared in consultation with North Sydney Council and affected stakeholders;
- continues to provide off-street parking for the construction workforce to offset on-street parking removal; and
- has been reviewed by Transport for NSW and no issues have been raised.

As nominee of the Planning Secretary, I approve the Stage 1B CPAS Revision 7 dated 14 December 2022 under condition E140 of SSI 8863. Please ensure that the approved plan is placed on the project website at the earliest convenience as per condition B15.

I remind you of your commitments to continue to consult with North Sydney Council and the affected local community, and that you manage any unforeseen parking impacts in accordance with the mitigation measures outlined in the CPAS.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

If you wish to discuss the matter further, please contact me at Dominic.Crinnion@planning.nsw.gov.au.

Yours sincerely
