Subject: Western Harbour Tunnel and Warringah Freeway Upgrade (SSI 8863) - Stage 3A
Western Harbour Tunnel: Project Identification on Heavy Vehicles (A47)

Dear Mr Strong,

I refer to your submission dated 10 November 2022, requesting approval of the signage to identify heavy vehicles used for spoil haulage, as required under condition A47 of SSI-8863.

I note the proposed signage:

- will enable the immediate identification of the Project by a person viewing the heavy vehicle;
- contains the information required by the conditions of approval; and
- has been reviewed by Transport of NSW and no issues have been raised.

Accordingly, as nominee of the Planning Secretary, I approve the identification signage under condition A47 of SSI-8863.

You are reminded that if there are any inconsistencies between the approved signage and the conditions of approval, the conditions prevail.

If you wish to discuss the matter further, please contact Ellena Tsanidis at ellena.tsanidis@planning.nsw.gov.au.

Yours sincerely

Shelley Reed
