

Mr Tony Sheppard
Project Director - Waringah Freeway Upgrade
Transport for NSW
27-29 ARGYLE STREET PARRAMATTA
New South Wales 2150

VIA EMAIL: Mark.Russell@transport.nsw.gov.au

08/07/2021

Dear Mr. Sheppard,

**Western Harbour Tunnel and Waringah Freeway Upgrade (SSI 8863)
Local Roads Approval**

I refer to the revised Local Roads Approval Revision 5, dated 21 May 2021, submitted to the Department in accordance with conditions E132 and E133 of the Western Harbour Tunnel and Waringah Freeway Upgrade (SSI 8863).

I note that the Local Roads Approval Revision 5:

- was updated to include eastbound heavy vehicle movements on Warringah Road;
- allows for eastbound movements on Cammeray Avenue and northbound movement on ANZAC Avenue;
- has not increased the number of heavy vehicles movements on previously approved roads;
- was endorsed by a suitably qualified traffic engineer Mr Phillip Truong from Turnbull Engineering, letter dated 21 June 2021;
- contains evidence of consultation with ANZAC Park Public School and Infrastructure NSW and no issues were raised;
- has been reviewed by Transport for NSW and no issues were raised; and
- will continue to implement suitable measures to manage the potential road user and pedestrian impacts for the duration of the works.

Accordingly, as a nominee of the Planning Secretary I approve the Local Road Approval Revision 5, dated 21 May 2021. Please ensure that North Sydney Council and Bicycle NSW are made aware of the changes made to this document.

I remind you that these roads are approved to be used until 12 April 2022 and further assessment to the conditions will be required for any extension to this timeframe. As per condition E133 the Traffic and Transport Management Sub-Plan is required to be updated following this approval.

If you wish to discuss the matter further, please contact Mike Pereira on Mike.Pereira@dpie.nsw.gov.au.

Yours sincerely
