Western Harbour Tunnel and Warringah Freeway Upgrade (SSI 8863)
Stage 3B - Construction Parking and Access Strategy (Condition E140)

Dear Mr Cooper

I refer to the Stage 3B Construction Parking and Access Strategy (CPAS), Revision 05 dated 23 June 2023 submitted for approval as required under condition E140 of SSI 8863. I also acknowledge your response to the Department's review comments and requests for additional information.

I note the CPAS Revision 05:

- details the Project's construction impacts on Ridge Street until 30 June 2028;
- includes construction parking mitigation measures to mitigate the loss of on-street parking on Ridge St North in accordance with condition E142;
- has been prepared in consultation with North Sydney Council; and
- has been reviewed by Transport for NSW and no issues were raised.

As nominee of the Planning Secretary, I approve the Stage 3B Construction Parking and Access Strategy Revision 05 dated 23 June 2023 under condition E140 of SSI 8863.

Please ensure that the approved plan is placed on the project website at the earliest convenience as per condition B15. I remind you of your commitments to continue to consult with North Sydney Council and the affected local community, and that you manage any unforeseen parking impacts in accordance with the mitigation measures outlined in the CPAS.

Please note if there are any inconsistencies between the approved CPAS and the conditions of approval, then the requirements of the conditions of approval prevail.

If you wish to discuss the matter further, please contact Edward Kenney at edward.kenney@dpie.nsw.gov.au.

Yours sincerely
