**Warringah Freeway Upgrade (SSI-8863) - Extension of Time Request for December AA
Monthly Report**

Dear Mr Clark

I refer to your request for an extension of time to submit the Acoustic Advisor (AA) Monthly Report for December under condition A34(h)(v) of SSI-8863.

The Department notes that the request has been made due to the Christmas shutdown period, and therefore cannot be submitted within 7 days following the end of the month, as required by condition A34(h)(v) of SSI-8863.

Accordingly, as nominee of the Planning Secretary, I approve an extension of time until the 15 January to submit the December AA Monthly Report under condition A34(h)(v) of SSI-8863. Please note this extension request remains active for the duration of the AA's engagement for the CSSI and can apply across multiple calendar years.

If you wish to discuss the matter further, please contact Edward Kenney on edward.kenney@dpie.nsw.gov.au.

Yours sincerely
