

Mr Tony Sheppard  
Project Director - Waringah Freeway Upgrade  
Transport for NSW  
27-29 ARGYLE STREET PARRAMATTA  
New South Wales 2150

VIA EMAIL: Mark.Russell@transport.nsw.gov.au

17/11/2021

Dear Mr. Sheppard,

**Western Harbour Tunnel and Waringah Freeway Upgrade Stage 1A (SSI 8863)  
Local Roads Approval (Condition E132)**

I refer to the revised Local Roads Approval Revision 7, dated 30 September 2021, submitted to the Department in accordance with conditions E132 and E133 of SSI 8863.

I note that the Local Roads Approval Revision 7:

- was updated to include westbound movements on Sutherland Street and northbound movements on Ben Boyd Road (south of Ernest Street and north of Belgrave Street);
- was endorsed by a suitably qualified traffic engineer Mr Phillip Truong from Turnbull Engineering;
- was discussed at the Project's Transport and Traffic Liaison Group Meeting on 27 September 2021, which includes members from School Infrastructure NSW, North Sydney Council and Bicycle NSW;
- has been reviewed by Transport for NSW who raised no issues with the Department; and
- will continue to implement suitable measures to manage the potential road user and pedestrian impacts for the duration of the works.

Accordingly, as a nominee of the Planning Secretary I approve the Local Road Approval Revision 7, dated 30 September 2021. Please place the approved document on the project website as per condition B15.

I remind you that these local roads are approved for use until 12 April 2022. Further extensions to the use of these roads will require the Department's review and approval.

As per conditions, E133 and C4(a) the Traffic and Transport Management Sub-Plan is required to be updated following this approval, including additional consultation with North Sydney Council.

If you wish to discuss the matter further, please contact Mike Pereira at Mike.Pereira@dpie.nsw.gov.au.

Yours sincerely

**Jake Shackleton**  
**Director – Infrastructure Management**

As nominee of the Planning Secretary
