Hi Keith

The submission concerns the route of the electricity supply to the project.

See attached sketch plan.

Council proposes 2 options to the proposed route.

Option 1. Via

Westfield, William, Hood, Homer, Matilda Bray on to Hartill Law to the Proposed route

Option 2 is to utilise the electrical feed to the Bexley MOC and head to West Botany MOC3, if there is capacity. This could be via Bexley Road

Cheers

Appreciate the help with submitting this
