Subject: M6 Stage 1 (SSI 8931) – Revised Communication Strategy Revision 7 (Condition B3)

Dear Ms Avila

I refer to the revised Communication Strategy (CS) Revision 7, dated 16 September 2022, submitted for approval in accordance with condition B3 of SSI-8931. I acknowledge and thank you for your response to the Department's review comments and requests for additional information.

I note that the Communication Strategy Revision 7:

- was updated to:
 - include additional stakeholders and minor updates to communication tools;
 - include a business management plan that identifies businesses that will be adversely affected by the Project and how they will be engaged;
 - identify the specific key issues, stakeholders and mitigation measures associated with the Project's Urban Design and Landscape Plan; and
- has been reviewed by Transport for NSW and no issues have been raised.

As nominee of the Planning Secretary, I approve the Communication Strategy (Revision 7 dated 16 September 2022) under condition B3 of SSI 8931. Please ensure that the CS is placed on the project website in accordance with condition of approval B15.

Please note, if there are any inconsistencies between the CS and the conditions of approval, then the requirements of the conditions of approval will prevail.

If you wish to discuss the matter further, please contact Sarah Kamarudin at sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely

Shelley Reed
Acting Director
Infrastructure Management

As nominee of the Planning Secretary
