Construction Parking and Access Strategy (CPAS) Revision 0.02

Dear Ms Avila,

I refer to the Construction Parking and Access Strategy (CPAS): M6 Stage 1 Construction Phase Revision 0.03, dated 31 July 2023, submitted to the Planning Secretary for approval under condition E130 of SSI 8931. I also acknowledge your response to the Department's review comments and requests for additional information.

I note that the CPAS M6 Stage 1 Revision 0.03:

- details the Project's construction impacts including those previously identified in the CPAS Revision 0.01, approved on 26 October 2022 and additional parking impacts on West Botany Street at the C3 compound;
- includes construction parking mitigation measures to mitigate the loss of on-street parking;
- has been prepared in consultation with affected stakeholders including Bayside Council, Local Traffic Committee and the local community; and
- has been reviewed by Transport for NSW and no issues were raised.

Accordingly, as a nominee of the Planning Secretary, I approve the Construction Parking and Access Strategy: M6 Stage 1 Revision 0.03, dated 31 July 2023 under condition E130 of SSI 8931. Please ensure that the approved plan is placed on the project website in accordance with condition B15.

Please note if there are any inconsistencies between the approved CPAS and the conditions of approval, then the requirements of the conditions of approval prevail.

If you wish to discuss the matter further, please contact Edward Kenney at edward.kenney@dpie.nsw.gov.au

Yours sincerely
