Subject: M6 Stage 1 Project (SSI-8931) - Communication Strategy, Revision 10 (condition B3)

Dear Mr Voigt,

I refer to the revised Communication Strategy (CS), Revision 10 dated 12 July 2024 submitted for approval under condition B3 of SSI-8931. I also acknowledge your response to the Department's review comments and request for additional information.

I note the Communication Strategy, Revision 10:

- was updated to include the current schedule of key Project milestones;
- was updated to include further information on consultation with landowners who are eligible for at-property noise treatment;
- includes the identification of four additional businesses on President Avenue, Rockdale who are impacted by the Project; and
- has been reviewed by Transport for NSW and no issues were raised.

Accordingly, as nominee of the Planning Secretary, I approve the Communication Strategy (Revision 10 dated 12 July 2024 under condition B3 of SSI-8931. Please ensure that the CS is placed on the project website in accordance with condition of approval B15.

Please note, if there are any inconsistencies between the CS and the conditions of approval, then the conditions of approval will prevail.

If you wish to discuss the matter further, please contact Sarah Kamarudin at sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely
