Subject: M6 Stage 1 (SSI 8931) - Construction Parking and Access Strategy (CPAS) Rev 0.08

Dear Mr Pereira,

I refer to your submission of the Construction Parking and Access Strategy (CPAS), Revision 0.08, dated April 2025 and submitted to the Department for information as required under condition E140 of the SSI-8931. I also acknowledge your response to the Department's review comment and request for additional information.

I note that the CPAS Revision 0.08:

- has identified the areas of temporary removal of parking;
- has been prepared in consultation with the relevant stakeholders; and
- has been reviewed by Transport for NSW.

You are reminded that if there are any inconsistencies between the CPAS and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Katherine Klouda at [katherine.klouda@planning.nsw.gov.au](mailto:katherine.klouda@planning.nsw.gov.au)

Yours sincerely
