Subject: Appointment of Mahtab Sohangir as alternate Environmental Representative

Dear Mr Voight,

I refer to your submission dated 3 October 2025 requesting the Planning Secretary's approval of Ms Mahtab Sohangir of WolfPeak Environmental & Heritage, as an alternative Environmental Representative (ER) under condition of approval A25 of SSI-8931. The Department also acknowledges the removal of Mr Steve Fermio as a primary ER.

I note that:

- the nominated ER is a current member of a relevant professional body, as required by Condition A9;
- the nominee's curriculum vitae demonstrates that she meets the skills, qualification and experience requirements in accordance with condition A24;
- the nominee was not involved in the preparation of the documents listed in condition A1; and
- the nominee is independent of the design and construction of the project.

As nominee of the Planning Secretary, I approve the appointment of Ms Mahtab Sohangir as additional ER, under condition A25 of SSI-8931.

Please ensure you provide the ERs with all relevant information required to undertake the role and that you respond to their requests of information in a timely and complete manner.

If you wish to discuss the matter further, please contact Katherine Klouda at katherine.klouda@planning.nsw.gov.au.

Yours sincerely
