Subject: Biodiversity Offset Package

Dear Mr Fisher

I refer to the Biodiversity Offset Package (Revision 0, 1 November 2022), submitted to the Department following receipt of conditional approval for the Biodiversity Offset Package (Revision B, 14 September 2022) on 31 October 2022.

The Department has carefully reviewed the Biodiversity Offset Package (Revision 0, 1 November 2022) and is satisfied that the minor changes outlined in Attachment 1 to the approval letter for the Biodiversity Offset Package (Revision B, 14 September 2022) have been addressed.

Accordingly, as nominee of the Planning Secretary, I approve the Biodiversity Offset Package (Revision 0, 1 November 2022).

Please note that the Biodiversity Offset Package (Revision 0, 1 November 2022) supersedes the Biodiversity Offset Package (Revision B, 14 September 2022).

You are reminded that if there are any inconsistencies between the Biodiversity Offset Package and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Iwan Davies on 02 9274 6296 or iwan.davies@planning.nsw.gov.au.

Yours sincerely

Nicole Brewer
Director
Energy Assessments
As nominee of the Planning Secretary
