Subject: Out-Of-Hours Application OOHW_FC003 (Rev 00)

Dear Ms Forrest

I refer to your submission received on 28 September 2022, requesting approval of the Out-Of-Hours Application OOHW_FC003 (Rev 00) in accordance with Condition E36(c)(ii) of SSI 9364. I also acknowledge your response to the Department's request for additional information.

The Department has reviewed your request to undertake work outside of the approved construction hours for 56 hours from Friday 21 October to Monday 23 October 2022 to facilitate the installation of DN900 Water Main across Elizabeth Drive. A contingency period from 28-30 October has been included should you incur delays.

As nominee of the Planning Secretary, I approve the Out-Of-Hours Application OOHW_FC003, subject to the works being undertaken in accordance with the information provided in the application, supporting documentation, and Section 6.1 of the Out-of-Hours Work Protocol.

You are reminded that if there are any inconsistencies between the Out-Of-Hours Application OOHW_FC003 (Rev 00) and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at your earliest convenience.

If you wish to discuss the matter further, please contact Amy Porter on 9373 2853.

Yours sincerely
