Subject: M12 Motorway (SSI-9364) - Request for Extension of Time to submit Amendments to ecosystem and species credit, Condition E4

Dear Mr Smit,

I refer to Transport for NSW's letter dated 21 November 2025, requesting an extension of time to submit amendments for ecosystem and species credit requirements as required by condition E4, under condition A8 of SSI-9364.

I note that the extension of time is to complete further consultation with NSW and Commonwealth DCCEEW which is currently being undertaken over the December/January holiday shutdown period. The extension of time will allow for sufficient consultation to be carried out.

Accordingly, as nominee of the Planning Secretary I approve the extension of time until 31 March 2026 to submit the amendments for ecosystem and species credit requirements under condition A8 of SSI-9364.

If you wish to discuss the matter further, please contact Katherine Klouda at katherine.klouda@planning.nsw.gov.au.

Yours sincerely

Sarah Kamarudin
